WEBSITE REDESIGN

A website redesign is not just simply making your website look different. It is an essential marketing tool in helping your business to evolve and grow online!

Includes:

- Full width screen design with scrolling content.
- Responsive design – mobile friendly.
- Easy to edit with Elementor PRO – drag & drop visual editor.
- Custom designed blog templates.
- Professional stock imagery.
- Updated theme which is light coded and compatible with WordPress core updates.
- WordPress maintenance – plugin updates and security check.
- Opportunity to evaluate and update existing content.
- Opportunity to improve the website structure and on-page SEO.

Nicole was so helpful and did a fantastic job redesigning my business website. I'm very pleased with the result and highly recommend her.
